

Mary & Hugh

WEDDING PLANNING BY BLISS CREATIONS
PHOTOGRAPHY BY SAVADY PHOTOGRAPHY

Mary and Hugh first met while working at a leading news network where Hugh was the face of the morning show and Mary wrote the scripts that made him sound eloquent. Years went by, and one day Hugh made a heartfelt proposal on the top of a hill overlooking Yung Shue Wan Village on Lamma Island.

With family and friends from all over Asia, Mary and Hugh chose to have a destination wedding in Cambodia. "We wanted to go to a location that would be extra special and somewhere all of our guests could enjoy for a few days. Siem Reap was particularly special because Bliss Creations was able to arrange a very unique wedding experience at one of the ancient Angkor temples for our guests and us."

On the big day, guests were met by a line of tuk tuks ready to take them to site of the ceremony. Upon arrival, guests were led into a monastery next to the 12th century temple where Buddhists monks performed a Khmer blessing for the couple. Guests sat on mats and cushions on the floor and although the setting was informal, the blessing ritual was carried out with the deference it deserved. "The monks' blessing was just the right mix of ceremony, sincerity and happiness," Hugh said.

Following the ceremony, guests were lead to the temple, which formed a classic setting for photos. It was only when guests emerged from the temple did they realise that they would be dining among these ancient stone structures. "It was so impressive and special to see this elegantly dressed dining table and to be a part of this unique experience," a guest remarked.

"The beautiful, stone temple lent a feeling of ancient tradition and long-lasting permanence to our big day," said Mary. "We kept our decorations simple and chose bright colours to contrast with the grey stone."

Mary和Hugh均為傳媒人，當時Hugh是一個清晨節目的主持，而Mary則負責為他撰稿。蜜運數年後，Hugh終於在面向榕樹灣村的南丫島山頭，情真意切地向Mary求婚。

由於兩人的親友來自五湖四海，一對新人遂決定於柬埔寨舉行海外婚禮。「我們希望婚禮地點別具特色，能讓賓客樂上好幾天。Bliss Creations安排我們於暹

Following a traditional hand tying ceremony, guests sat down to a beautiful four-course dinner provided by FCC Angkor followed by impromptu dancing on the steps of the temple. "With the temples all lit and candles dotted around the ground, it looked even more magnificent than we had ever imagined. The whole experience was unforgettable and entirely memorable," said Hugh, as he recalled the special experience. ●

婚禮當日，一行篤篤車接送賓客至婚禮場地。那裡有一幢十二世紀興建的古廟，新人們首先在古廟旁的僧院接受高棉族僧人的祝福。賓客們則按照傳統，坐到跪墊上，見證這個非官方卻又莊嚴聖潔的儀式。「僧人的祝福結合宗教儀式、真誠的祝福與喜悅之情，一切恰如其分。」Hugh說道。

儀式過後便是古廟拍照時段。有趣的是，賓客們步出古廟時，才意會到一對新人將於這些嶙峋巨石之間設宴。有賓客讚嘆：「真的很榮幸能參與這場婚禮，這圍高雅不凡的桌席實在教人難忘。」

「古老的石廟讓人聯想到源遠流長的傳統和永恆的婚姻。」Mary說。「我們盡量於場地佈置方面一切從簡，並以鮮豔的顏色跟石廟的灰色構成強烈的對比。」

待新人進行傳統的綁手儀式後，賓客們便開始享用由FCC吳哥窟精品酒店主理的四道菜晚宴，眾人更是興之所至，於古廟石階上翩翩起舞。「古廟四周佈滿柔和的燈光，地上則是點點的燭光。出來的效果竟是意想不到的壯麗莊嚴，使得整個婚禮教人回味無窮。」新郎Hugh總結道。●
