work

2018 AKQA DC

UX Design Intern / Washington, D.C.
UX, UI, JS, CSS

Re-imagining the power of storytelling through digital platforms for a non-profit that mentors teens in the greater D.C. area.

2015 MADE AGENCY

Web Development Intern / Cape Town, SA
Ruby on Rails, CSS, CMS

An adventure where I built Cape Town Electronic Music Festival's electronic press kit, researched lookbooks for Nike Tech Pack product launch and ate lunches with creatives in historic Waterkant.

2014-16 UVA TRANSIT & CAMP TRUCKING

Bus Driver / U.S. East Coast
26,000 lb. Air Brake Vehicles

The ultimate customer service: Picture college late nights driving big blue buses and safely transporting 60+ "eager" freshmen, then summer sunrises fetching thousands of duffle bags along the Northeastern mountains for Jewish-American campers.
