B. TRAINING AND COACHING ASSIGNMENTS

1. Practices, camps and clinics will be conducted by the paid Sticks coaching staff. On occasion, as coordinators/coaches determine, practices may be held with the direction and assistance of the SportsPlex West staff.
2. Tournament and league games are conducted by the game coach. A member of the SPW staff may attend.
3. Game coaches are required to report the results of each game to the Director of the program. Playing time will also be reported at that time.
4. Game coaches will be selected by the Director. Each team is different based on the uniqueness of the team.

C. COACHES Expectations

Our aim is to develop *citizenship, teamwork, and fundamental* play. Coaches will, at all times, have the safety and general well being of the players in mind. Our coaches will not intimidate players, embarrass them or ridicule them. Our coaches will treat the players with respect. All coaches will be held to the highest standard of child development and are ultimately responsible for answering to the Director.

1. All Head Coaches and Assistant Coaches are required to attend all baseball clinics and practices prior to the beginning of spring practice, enhancing their teaching of the sport to help improve the skills of their players and to learn from the staff at SportsPlex West.
2. All coaches are asked to utilize the talents and abilities of everyone associated with their team; this includes parents, and other coaches outside the Sticks Organization.
3. All coaches are expected to aid other Sticks teams and assist with all Sticks functions including, but not limited to: tryouts, winter work outs, fall & spring clean up of the practice field

D. PARENTAL PARTICIPATION – Expectations & Rules

The success of the Sticks depends on the commitment of everyone in our organization. Parents are encouraged to attend practices and games. You may be called upon to help with practice drills, scorekeeping and other items. Game coaching responsibilities are assigned by the director to officially designated persons only.

Rules for Parents:

1. We want the Sticks to be known as a “Class Organization” We ask that parents, relatives, and friends attending the games **absolutely do not abuse umpires, opposing coaches or players as well as our own players in any way.** Allow the players to play the game as they have been coached. **This rule will be strictly enforced.**
2. During games, parents are respectfully asked to remain a good distance away from the dugouts unless asked by the coaches. Players are instructed not to talk to their parents and friends while a game is in progress. Please allow the only adult contact with your son during a game to be the coaching staff.
3. Any parent challenging the authority of a Sticks coach will be asked to leave the team. Verbal or physical abuse of coaches will not be tolerated.
4. The Sticks Baseball reserves the right to “suspend” parents from attending games at the discretion of the Director.
5. Parents that may have concerns or questions are required to follow proper procedure.
 - *Never address the coach before, during or immediately following a game or practice. Make an appointment.
 - * Always follow proper chain of command – Coach – Coordinator – Director
 - * Never discuss other players when addressing a concern
 - * Email is not for conflict resolution. It is simply for fact gathering.

E. PLAYING TIME

It is the goal of the Sticks organization that the number of innings that a player sits over the season will be as equally distributed as possible over the length of the season. The Coach, with the direction of the coordinator and the director, will determine the best playing positions for each child. It is the goal of the Sticks organization to put players in positions in which we feel each child will have the most success. Playing all positions is not a goal of the program, however, the Sticks coaching staff feels that players should experience multiple positions numerous times throughout the season.

F. PLAYERS – Rules and Expectations

Every member of the team should recognize that the Sticks organization is a ‘First Class’ organization. Sticks baseball will set the standard for a professionally ran youth sports program.
