

FLOMASTER[®]

BRAKE CALIPER PAINT MARKERS

Add color to your brake calipers with Arro-Mark Paint Markers. Show off the high performance look of your brake components through your spokes wheels. The color is easily applied onto the calipers with two specially designed valve control, pump action markers that deliver precise color where you want it - no drip or over spray. Dries to touch in minutes, cures in 24 hours, use heatgun for a glossy finish. Do not allow to get wet within 12 hours. **YOU DO NOT HAVE TO REMOVE YOUR BRAKE CALIPERS.**
