

# McLane Senior Yearbook

## Picture Guidelines

Congratulations! We are so excited for you to be taking your Senior pictures. Please keep in mind... **you MUST be in dress code for the picture you select for the yearbook.** If you are not in dress code, your picture will not be accepted.

We have provided some guidelines below on ideas of what to wear/how to dress. These are just suggestions for what to wear for your yearbook photo, this is **NOT** required.

Boys: Wear a coat and a tie with a white shirt. Make sure your coat is a solid color, and that your tie and coat match. Solid color ties, or ties without a lot of patterns, are probably best for pictures.

Girls: Wear a solid color dress, blouse or shirt. Try to stay away from too many patterns or clashing colors.

Both: Get a good night sleep before your picture so that you look alert and well rested for it. Practice your smile in the mirror and show your teeth when you smile 😊
