

Snow and Tell. DSUK Newsletter MAY 2020.

CEO Welcome.

It's my pleasure to introduce our refreshed newsletter and I'd like to thank the Activities and Membership Team for making the time to pull it together amongst what's been a very busy month for DSUK. You won't be surprised to hear that Covid-19 is impacting the charity hard, but I'd like to reassure you all that we're responding to this challenge as we always do, i.e. we will adapt and overcome. This edition of 'Snow and Tell' you'll read about what we've been doing to encourage fundraising and also how we are trying to keep engaged with our members whilst we can't ski or snowboard together. We're also planning for the longer term, and I'd welcome your involvement here. To make sure that the voices of our skiers and snowboarders (and families) shape how we evolve as a charity, I am establishing a Skier and Snowboarder Involvement Group. If you'd like more information about this group and how to get involved, please contact me directly. This is best done via email on mark.kelvin@disabilitysnowsport.org.uk. Alternatively you can call the office and ask for me.

Urgent Appeal. Sadly our snowsport schools have been closed due to the current social restrictions. We are also no longer able to run our planned fundraising activities. This means that our regular income has stopped overnight. One way that we have responded is by launching our Urgent Appeal.

We are thrilled to have raised over £20,000 so far and to say that we are very grateful is a huge understatement.

You can find more information on our urgent appeal: justgiving.com/campaign/DSUK.

DSUK Lottery

The odds are better than the National Lottery and an annual

subscription costs just £30. That's only £2.50 per month. This will give you 12 chances to win. (One chance every month). £1.50 of each ticket directly supports the work of DSUK with the remaining £1 going into the prize fund each month so the more players, the bigger your potential winnings!

Some of you may have noticed that we have refreshed our lottery. It is now even easier to subscribe. You can now sign up via our website at disabilitysnowsport.org.uk/lottery and there's options for Card and Direct Debit payments. You can of course still sign up via the office. The lottery draw takes place during the first week of each month for the preceding month (i.e. the May draw is held during the first week of June). Good luck!
