FUN IDEAS TO DO AS A FAMILY

Make a family video to act and tell what Jesus is like so other people will know more about Him. Each family member could say a characteristic about Jesus, act out something Jesus did in the Bible, or show how Jesus would treat other people. Send the video to a friend or family member to share the good news about Jesus!

God's plan is for people to know his love for them. Write a note or make a card together as a family to send to someone asking them to come to church with you. Pray about it together before you start writing to ask God what you should write.

Play a game to show that God wants more people to believe in Jesus as their Savior.

Together you can play I-Spy but with the lights off! One person will think of something in the room and say, "I spy something ___." (describe the shape, size, or color) The others will use flashlights to hunt for the object. The person who found the object will get to describe something next. At the end, talk about Jesus seeing everyone and wanting them to come to the light and believe in Him. We should tell other people that Jesus is real!
