### FUN IDEAS TO DO AS A FAMILY

Look at the city of Bethlehem on a map. Talk about what it must have been like for the wise men to follow a star to the stable where Jesus was born. They had great faith and knew something was special about Jesus, because they traveled for months to find him.

Make a Christmas card and send to a friend or family member. Make sure you tell them about the true meaning of Christmas. It's not all about presents, it is all about celebrating the birth of God's son, Jesus!

Jesus came into this world because he wanted to show us that he loves us. Think of a way to show love back to Jesus. Your family could write a song, sing a song, pray to Jesus, or something else. We can honor him because he came to Earth to teach us and honor God's plan. He had everything in heaven, but he gave it up to come down to earth and show us how much he loves us.
