<p><i>Signing below indicates that I have read and agree to all terms and conditions as set forth by the Carroll County Water Authority as referenced in Brochure #10-0329 "Recreation at the Snake Creek Reservoir" and as included on the reverse of this form regarding access to the Snake Creek Reservoir (Lake Seaton). I further agree that violation of the laws of the State of Georgia or any of the Regulations set forth by CCWA shall be punished as prescribed by applicable law, including but not limited to loss of license and forfeiture of any rights for future licenses.</i></p> <p><i>License fees help defray the administrative cost of opening the reservoir for fishing and recreation, and are not an access charge. Annual licenses expire at 11:59 pm on December 31st of year stated on license. Daily licenses expire 24 hours from effective date/time. 7-day licenses expire 7 days from effective date/time. Non-resident permit holders must be accompanied by a Carroll County resident or property owner with a valid Authority fishing permit while at the Reservoir. Applications for all boat decals require mandatory boat inspection. A valid Georgia fishing license is also required to fish on the lake. Boats must meet GA-DNR requirements while at the lake.</i></p> <p><i>The Authority assumes no liability or responsibility for the safety or property of persons using the Reservoir or engaged in any activity on Authority property. Any person using the Reservoir or other Authority property shall exercise due care for their own safety and the safety of others and assumes full liability and responsibility for his or her actions and safe conduct.</i></p>

Carroll Count Water Authority Rules of the Reservoir

1. Access to the Reservoir by any person without a valid license issued by the Authority is prohibited.
2. Annual, 7-day, and daily licenses may be obtained from the Carroll County Water Authority Administrative Office during normal business hours by Carroll County residents by paying the established fees and executing the required release forms. 7-day and daily fishing licenses may be obtained from the Carroll County Water Authority Administrative Office during normal business hours by non-Carroll County residents by paying the established fees and executing the required release forms. Non-resident permit holders must be accompanied by a Carroll County resident or property owner with a valid Authority fishing permit while at the Reservoir.
3. Appropriate licenses shall be available for purchase by Carroll County residents and non-Carroll County residents over the age of 18 years old only. All persons under the age of 18 years old must be accompanied by an adult while on the Reservoir property.
4. License fees may be modified from time to time by the Authority to help offset the Authority's costs of operating and managing the recreational activities at the reservoir.

BUFFERS AND SETBACKS

Pursuant to Carroll County watershed protection ordinances, all property adjacent to the Reservoir shall have a 150-foot undisturbed, natural vegetative buffer, measured in horizontal distance from normal pool elevation defined as 926.0 feet above mean sea level. No septic tanks or septic tank drain fields may be installed within the 150-foot buffer. If more stringent land use standards are adopted by Carroll County or the State of Georgia, the more stringent regulations shall apply.

OTHER RESTRICTIONS ON USE OF RESERVOIR

1. All persons entering the Authority's property must do so through the public access point at Hutcheson Ferry Road. All other access points are prohibited. Access is licensed only during times that the Authority designates.
2. No person is authorized to use the Authority's property for any purpose other than those specified herein.
3. Possession of alcoholic beverages, drugs, controlled substances, bows and arrows, explosives, and hazardous materials and discharging of firearms are prohibited on the Reservoir and Authority property.
4. All persons using the reservoir must comply with the Georgia Department of Natural Resources laws, rules and regulations, as well as rules and regulations set by Carroll County Government and the Authority.
5. Persons fishing from the bank of the Reservoir may do so only between marked boundaries at the Authority designated access point.
6. Boats may be no longer than 18'0" in length and must meet Georgia Department of Natural Resources requirements. All boats must be electric or hand powered. Internal combustion engines and petroleum fuels are prohibited. Authority, Carroll County, and State of Georgia enforcement, inspection, and emergency vessels are exempt from these requirements.
7. Sailboats and inflatable vessels are not allowed on the Reservoir.
8. No littering, fires or overnight camping are allowed on the Reservoir or Authority property.
9. Destruction, modification, and removal of Authority property are prohibited.
10. Individuals are required to show proper identification upon the request by an authorized representative of the Authority, Carroll County or Georgia Department of Natural Resources.
11. Boat docks and boat ramps are prohibited except in Authority-designated and managed public access areas.
12. Swimming and wading are not allowed at the Reservoir.
13. In accordance with O.C.G.A. § 27-4-282, the following WARNING is included in these Regulations:

Under Georgia law, an owner or operator of a fishing location is not liable for an injury to or the death of a participant from the inherent risks of fishing, including but not limited to drowning, pursuant to Article 7 of Chapter 4 of Title 27 of the Official Code of Georgia Annotated.

VIOLATION AND PUNISHMENT OF NON-LICENSED USER ON AUTHORITY PROPERTY

1. Any non-licensed user of the Authority's property or Reservoir is trespassing and will be prosecuted to the extent allowed by applicable law. Any person violating any of the laws of the State of Georgia or any of the Regulations set forth herein shall be punished as prescribed by applicable law, including but not limited to loss of license and forfeiture of any right for future licenses.
2. The Authority's property and Reservoir may be policed by Authority enforcement personnel, deputies and authorized agents of Carroll County (by agreement with the Authority), and/or employees of the Georgia Department of Natural Resources.
3. The Authority assumes no liability or responsibility for the safety or property of persons using the Reservoir or engaged in any activity on Authority property. Any person using the Reservoir or other Authority property shall exercise due care for their own safety and the safety of others and assumes full liability and responsibility for his or her actions and safe conduct.
