THE BUSHCRAFT COMPANY

4 DAY RESIDENTIAL
SAMPLE ITINERARY

DAY 1

10.00 AM – Arrive

Introduction to Camp
Our instructors will discuss the key elements of Bushcraft and explain what the students can realistically achieve living in the wild. They will then have a safety briefing and familiarise themselves to their new surroundings.

Fire Workshop & Wilderness Cookery
The students will learn the basic principles of the fire triangle and put this knowledge into practice by collecting wood and lighting their fires using flint and steel. They will then learn how to cook a simple meal using fresh seasonal ingredients, over the fire.

PM – Lunch

Camp Craft
Students will be challenge with making a tribe identity, they will name their tribe and even make a flag to distinguish their tribe from everyone else’s.

Shelter Building
The students will learn why we need shelter when we are living outside, and the types of shelter people from different societies, nationalities and places have used across the ages. Each tribe will then build their own shelter, using natural materials from around the woodland.

Supper

Evening Games
Games are a great way for the children to bond with their fellow students and their teachers. It will also help the students to use any of the remaining energy that they have left over after the day, ready for a good night’s sleep.

Sleep in shelters
DAY 2

7.30 AM – Breakfast

Archery
The students will learn a little history about this ancient sport. They will then be taught basic archery techniques and how to handle equipment safely and responsibly before competing in a mini-tournament.

PM – Lunch

Cutting Tools
Students will learn about the different types of tools used in the field of Bushcraft, both primitive and modern, and the reasons for their use. They will be taught safe handling techniques, helping them to understand how to manage risk effectively.

Wilderness First Aid
The students will learn basic skills to cope with a medical emergency in the wild, including how to construct a simple stretcher from the items you have on you, and how to improvise an effective splint.

Supper

Night-time Stalking Games
The students will embark on a series of exciting night-time stalking exercises through the forest, challenging them to use the full range and scope of their senses and to work collaboratively in an unfamiliar setting.

Sleep in shelters
DAY 3

7.30 AM – Breakfast

Scenario SOS
The students will put all of their new skills to the test and work in teams to complete an orienteering course, using grid references to locate a simulated plane-crash scene, where they will treat the casualties and make improvised stretchers to evacuate them back to camp.

Camouflage and Concealment
Students will take part in a fun camouflage and concealment exercise, employing team tactics and making the most of their surroundings to camouflage themselves and evade capture.

PM – Lunch

Survival Bracelets
Students will learn how to make survival bracelets and will have the opportunity to make their own. They will then learn about how they can come in handy in the wild.

Wilderness Trail
On the wilderness trail, the students will work through a series of observation lanes, sand pits and sensory games and learn how to recognise animal tracks, enhancing their sensory skills and having fun at the same time.

Supper

Tribes Got Talent
This is a fantastic way to spend the final evening, participating in our trademark talent competition, in which each tribe performs a skit, dance or song which they will have been practicing all week. All of the students enjoy themselves and it is always brilliantly amusing, and at times, astonishing, as the students show off their skills.

Sleep in shelters
DAY 4

7.30 AM – Breakfast

Trap Making
Students are taught how to make a variety of different animal traps and what they would be used for. They will learn the pros and cons of the particular traps.

Bushcraft Challenge
The teams will participate in a series of fun but challenging initiative exercises that will really put them to the test, both mentally and physically. This is a great team-building activity and demands trust and communication.

PM – Lunch

Leave No Trace
The students will learn the importance of leaving their environment as they found it, and understand the impacts human activity can have on the natural landscape. They will be asked to strike camp and return their team camp areas to their natural state.

15:00 – Depart
