24 HOUR RESIDENTIAL

SAMPLE ITINERARY

DAY 1

10.00 AM - Arrive

Introduction to Camp

Our instructors will discuss the key elements of Bushcraft and explain what the students can realistically achieve living in the wild. They will then have a safety briefing and familiarise themselves to their new surroundings.

Fire Workshop & Wilderness Cookery

The students will learn the basic principles of the fire triangle and put this knowledge into practice by collecting wood and lighting their fires using flint and steel. They will then learn how to cook a simple meal using fresh seasonal ingredients, over the fire.

PM - Lunch

Cutting Tools Workshop

Students will learn about the different types of tools used in the field of Bushcraft, both primitive and modern, and the reasons for their use. They will be taught safe handling techniques, helping them to understand how to manage risk effectively.

Shelter Building

The students will learn why we need shelter when we are living outside, and the types of shelter people from different societies, nationalities and places have used across the ages. Each tribe will then build their own shelter, using natural materials from around the woodland.

Supper

Night-time Routine

The students will settle in to their safari-style camp and around the campfire exchange stories and songs. They will be provided with hot chocolate and marshmallows to roast over the open campfire.

Sleep in shelters

DAY 2

7.30 AM – Breakfast

Leave No Trace Procedures

The students will learn the importance of leaving their environment as they found it, and understand the impacts human activity can have on the natural landscape. They will be asked to strike camp and return their team camp areas to their natural state.

10:00 AM – Depart
