

On the Course Continued:

- If rental carts are used, they must be limited to one (1) rider per cart unless from the same household. Maximum of 4 golf carts per group.
- Flagsticks are to be left in the hole at all times, and not to be touched. Measures will be taken to restrict golf balls from going fully into the hole. Carefully removed the ball without touching the flagstick or the hole.
- All rakes will be removed from the bunkers. Please smooth the surface of the sand with your feet or club after your shot.
- If the ball comes to rest in a disturbed area of the bunker, treat the disturbed area of the bunker, as ground under repair. This allows for free relief, but such relief must be taken from within the bunker.
- Dispose of garbage in proper receptacles.
- On course restrooms will remain open.

After Round:

- Players must leave immediately upon completion of play, no congregating under any circumstances.
- Golf carts and push carts will be properly sanitized with close attention to high touch areas (steering wheels, cup holders, seat, handles, etc.)

At this time any summer tournaments will be reserved on an individual basis. The course will be asking those parties that wish to have a tournament in June to postpone it until July or August.

Finally, if you are feeling ill or a member of your family is feeling ill, staying at home is the most important thing you can do to keep everyone at the club safe and healthy. Thank you for your patience and understanding during these challenging times.

Thank you,

Blackduck Golf Board Members: Christina Regas, Pam Exner, Jim Andersen, Rudy Patch, Kevin Erpelding, and Lauren Schaser
