INSPIRED BY THE RICH COLOR AND TIMEWORN BEAUTY OF AUTHENTIC EUROPEAN STREET PAVERS.
Inspired by and cast from actual European street brick, Copthorne® not only has the same rich color and realistic texture of heritage pavers, but has been manufactured with our Ultima™ Concrete Technology, making it up to four times the strength of poured concrete. Copthorne® always gives you a superior-looking installation, making it the premium choice for residential or commercial driveways, walkways and patios.

Product Technology

Reala™ Surface Technology
Ultra-realistic textures cast from natural stone, brick and historic cobblestones.

Ultima™ Concrete Technology
This proprietary manufacturing process creates pavers and walls with up to four times the strength of poured concrete.

Enduracolor® Plus
A new standard for everlasting beauty. Enduracolor™ Plus products promise long-lasting beauty through a proprietary blend of exclusive and superior ingredients. A complex blend of granite and quartz, some of nature’s highest performing minerals, are combined with non-fading color pigments that hold fast under UV light and extreme weather conditions. This combination is used to create ultra-realistic surface textures and unique style options that are exceptionally durable.

Unilock provides a Transferable Lifetime Guarantee on the structural integrity of our paving stones, slabs and retaining wall units for residential use. Any materials installed and maintained to our guidelines, and subject to normal wear, that prove defective, will be replaced without cost. Color matching cannot be guaranteed and replacement labor is not included. Registration is required.
