Creating a highly sophisticated look with Il Campo™ is practically effortless with its distinctive textured surface. It is produced by a specialized manufacturing process, creating brushed irregular lines which etch the surface of the paver, giving a richly detailed surface.

Il Campo's multi-paver system allows you to create myriad of random and geometric patterns giving you extraordinary design flexibility.

Over 90 hatch patterns available on the Unilock CD Rom or at [www.unilock.com](http://www.unilock.com)

Typical Cross Section - for more information, see Unilock Paver Specifications.
