**Subject:** Letter of Appreciation

Steve:

Now that the punch list has been completed, the first football season completed, the first track and field season under way, a rainy season behind us, all invoices processed, withholds and escrows released. I would like to take the opportunity to thank you and your team for the great work that you did at Crenshaw High School. It was a pleasure dealing with a company who was completely focused on getting the project done and meeting a very tight completion date. There are people at LAUSD still scratching their heads and trying to figure out how it was accomplished. I always reply that "we had a great team". I would like to wish you well in all of your future endeavors. If you ever find yourself back at LAUSD in the future and I can be of any assistance, do not hesitate to call.
