**RE: Project #2807 - Monte Vista Field Replacement
Work Performance With EHCC**

Dear Mr. Davey & Mr. Pankow,

I would like to take this opportunity to personally thank you and your staff for the outstanding work performed in the course of the following projects in the Grossmont Union High School District:

Santana High School Field Upgrade
Steele Canyon High School Field Upgrade
Granite Hills High School Field Replacement
Monte Vista High School Field Replacement
Valhalla High School Field & Track Replacement

These projects have totaled approximately \$6.5 million and in today's marketplace, Byrom-Davey provides services over and above the competition. We look forward to many more projects in the future.

Sincerely,

Mat Gates
Project Manager
