The CFP® certification is obtained by completing an advanced college-level course of study addressing the financial planning subject areas that the CFP® Board's studies have determined as necessary for the competent and professional delivery of financial planning services, a comprehensive certification exam and agreeing to be bound by the CFP® board's *Standard of Professional Conduct*. As a prerequisite, the individual must have a Bachelor's degree from a regionally accredited United States college or university (or foreign university equivalent) and have at least 3 years of full time financial planning experience (or equivalent measured at 2,000 hours per year). This designation requires 30 hours of continuing education every 2 years and renewing an agreement to be bound by the *Standards of Professional Conduct*.

The ChFC® designation is offered by The American College. Designation holders are required to serve clients with the highest level of professionalism. The authority to use the ChFC® mark is granted by the Certification Committee of the Board of Trustees of The American College, and that privilege is contingent on adherence to strict ethical guidelines. All ChFC® advisors are required to do the same for clients that they would do for themselves in similar circumstances,

the standard of ethical behavior most beneficial for their clients. Each ChFC® has taken 9 or more college-level courses on all aspects of financial planning. The average study time for the program is over 400 hours, and advisors frequently spend years earning this coveted distinction. Each ChFC® must also complete a minimum of 30 hours of continuing education every two years and must meet extensive experience requirements to ensure that you get the professional financial advice you need.

The CLU® is offered by The American College. The CLU® designation is obtained by completing 8 core, 3 elective courses and a final exam for each course. As a prerequisite the IAR must have 3 years of full time business experience within the 5 years preceding the awarding of the designation.
