RELATED EXPERIENCE

HLN · Graphic Artist/Motion Designer · 6/17- Present

In this position, I work with a team of animators, designers and VIZ artists to support daily and longterm production for programs airing on HLN. I create both still graphics, used for program promotion and breaking news, as well as animations used in segments or network-wide packages.

Hi-Rez Studios · Freelance Graphic Designer and Illustrator · 5/19

I was brought on to create illustrative icons for a project which is currently in development. The icons needed to display information to the audience quickly while having personality.

Bright Fox Agency · Graphic Designer · 3/17- 3/19

My role consisted of creating advertisements, wayfinding, branding and web design for Atlanta based clients.

Atlanta Jewish Music Festival 2017 · Graphic Designer · 11/16 - 3/17

I was a freelance designer for the Eighth Annual Atlanta Jewish Music Festival. I was selected to create the image of the festival and I was in charge of creating supplemental marketing materials including digital and print items.

Georgia State University · Graphic Designer · 6/15 - 9/16

My role consisted of meetings with clients, conceptualizing market material, producing ads for various media, working within branding guidelines and creating signage for wayfinding with in the Student Center.
