## EXPERIENCE

### Jovio // Senior Brand Designer & Visual Designer

JUNE 2017 - MARCH 2019

I directed product & brand design initiatives for Jovio's product suite as well as managed creative content for the brand's identity system and marketing collateral. My responsibilities included owning the production of our marketing website, leading product design sprints, maintaining product design systems & pattern libraries, and managing the work produced by our Jr. Designer.

### Forcepoint // Multimedia Designer

JUNE 2016 - AUGUST 2017

I led the design team in creating an identity system for annual conference Blackhat 2017 that included custom illustration, motion graphics, video content, swag collateral & digital advertising.

### Houndstooth Studio // Production Artist

AUGUST 2015 - MARCH 2016

I produced video projection mapping content for charity event that included 3D models & animations, video composites, and motion graphics.

### Spiceworks // Junior Graphic Designer

AUGUST 2012 - APRIL 2015

I created digital ad campaigns by working with hundreds of IT brands including enterprise companies like HP, Dell, IBM, and Microsoft for the Spiceworks social network.
