HAULING AND OUTSIDE STORAGE CONTRACT

October 31, 2019 – May 1, 2020

Conanicut Marine Services Inc. | 20 Narragansett Avenue, Jamestown RI 02835
kevin@conanicutmarina.com | (401) 423-1556 x 210 | (401) 423-7159 (fax)

TERMS OF CONTRACT

1. The boat length for calculating the storage fee shall include bowsprit, boomkin, and any other non-removable appendages.
2. Boats, campers and gear are stored at Owner's risk. The boat and other property of the Owner, his agents or guests are brought on the Conanicut Marina property at the sole risk of the Owner, his agent or guests. Conanicut Marina will not be liable for any loss of, or damage to, said boat or property from any cause whatsoever. This includes fire, theft, vandalism, deterioration, part failure, storm or ice damage. **It is the responsibility of the Owner to maintain insurance for the boat during the storage period.** We cannot maintain our low storage rates if we are forced to insure your yacht.
3. All outside labor must be cleared by the yard. Only affiliated contractors are permitted on the premises.
4. Cradles, trailers, and dinghies must be clearly marked with the Owner's name and/or boat name for easy identification.
5. Responsibility for drain removal is the Owner's. Inoperable engines will not be winterized by Conanicut Marina nor does Conanicut Marina give any guarantee as to engine if delivered in non-operating condition.
6. No electric cords may be left plugged in when boat is vacated. No electric heaters or water heaters, no open-flame heaters or torches are to be used on boats at any time without the express permission of the yard.
7. The Owner shall be fully responsible for the watertightness of his boat upon launching and thereafter. Any pumping or checking by the yard, or use of yard pumps, will be charged at the current rates.
8. The Owner agrees that a vessel stored at Conanicut Marina in excess of one year without the signing of a new storage contract and payment of the storage fee shall be considered as property abandoned by the Owner, and upon thirty (30) days elapsing from sending a written notice by Conanicut Marina to the Owner (to address on last contract). Conanicut Marina will then seek disposal of the vessel to satisfy the mechanic's lien granted and acknowledged by signature of this contract.
9. All boats must have a garboard drain or be properly covered to prevent water build-up in the boat.
10. The yard has the right to deviate from the flat rate schedule due to unusual or non-standard circumstances and charge our normal hourly rate.
11. Boats in outside storage not launched by May 1 of the year in which this contract ends will be subject to an additional charge of \$4.00 per foot per week. Inside storage boats will be subject to an additional charge of \$1.00 per square foot per week.
12. Boat owners should not plan to be present for hauling or launching since this will be done at the yard's convenience according to the weather, number of boats to be hauled or launched, and any other work commitments. Boats will not be hauled or launched on holidays, Saturdays or Sundays. The yard will, however, attempt to stay as close as possible to the desired dates.
13. When a boat is hauled that does not berth in our marina, it may be moored in advance of the haul-out date on our mooring for a maximum of seven (7) days without charge. Boats delivered in advance of seven (7) days of the requested haul-out date will be charged the daily mooring or dockage fee, and all conditions applied in the Conanicut Marina mooring agreement are hereby incorporated.
14. When a boat is launched that does not berth in our Marina, a maximum of 24 hours on a mooring will be provided free, and thereafter the Owner will be charged the regular docking rate.
15. The yard should have access to the inside of your boat at the time of launch and hauling. If they do not have either a key or combination, they will automatically cut the lock and install a new one at the Owner's expense.
16. Bills will be mailed monthly and are due when rendered. A service charge of 1.5% per month (18% annually) will be added to balances thirty (30) days past due. Customers are reminded that storage charges are due IN FULL when billed. All bills must be paid in full prior to launching. Launching dates will only be given after any and all outstanding balances are paid in full. Full payment of the storage and maintenance fees MUST accompany this contract.
17. **Security Interest.** In addition to those liens arising under state or federal law, Owner grants Yard a security interest in the Vessel, its engines, equipment, furnishings and other appurtenances, to secure sums due under this Agreement, including costs and attorneys' fees. This Agreement shall serve both as a Security Agreement and Financing Statement. In accordance with the lien granted, Owner further extends to Yard a license to board the Vessel, upon Owner's default and remove any machinery, equipment, or materials Yard provided or installed. This license shall be deemed coupled with an interest and so may not be revoked.
18. **Attorney's Fees.** Owner shall pay Yard's reasonable attorneys' fees and costs incurred in any dispute or legal proceeding arising from this Agreement or Yard's work on the Vessel, now or in the future, whether under this Agreement, subsequent oral or written agreement, or otherwise.
19. Please leave docklines and fenders ready in cockpit. Any boat without lines or fenders, or with lines and fenders that are not adequate to secure the boat properly, will be provided or replaced at the Owner's expense.
20. Any moves required to gain access to vessel before approximate delivery, launching date will be billed at our normal rate; (or if no approximate delivery launching date is given and additional moves are required, this will also be billed at our normal rate).
21. Due to insurance regulations, owners and their paid or non-paid helpers are not allowed to work on their vessel when stored inside or in repair shop.
22. The Owner may list his boat for sale with Conanicut Marina and/or other parties. In the event of a sale arranged by Conanicut Marina, a 10% brokerage fee will be charged. If the boat is sold by the Owner or another broker while stored or moored at Conanicut Marina, the Owner will be charged to compensate Conanicut Marina for the use of its services which facilitated the sale. The charge will be based on time and materials.
23. **Environmental Responsibility.** It is understood that Conanicut Marine Services is an environmentally friendly marina and boat yard and subscribes to and enforces pollution prevention procedures. It is further understood and agreed that the posted best management practices at CMS are to be followed. I understand that this list may not be complete and pledge that I will exercise common sense and judgment in my actions to insure that my activities will not deposit pollution, waste, or residues on CMS premises. I understand that failure to adopt pollution prevention procedures may result in expulsion from CMS and forfeiture of rental fees. I understand that I may elect to employ CMS to perform potentially pollution producing activities on my behalf in which case the responsibility for compliance with the best management practices is entirely theirs.
