

July 13, 2020

To my valued patients,

I am writing to let you know I have made the difficult decision to leave Aspire Allergy & Sinus, and my last day will be August 11, 2020. It has been a great honor and pleasure providing care to you and your family. We have excellent board-certified allergists who will be able to continue your care at Aspire Allergy & Sinus, Dr. Alvin Aubry will take over all environmental and seasonal allergy patients, and Dr. Stacy Silvers will be taking over the care of my food allergy patients. You are in good hands with these doctors!

Sincerely,
