

Voter,

Thank you for taking the first step toward returning our democracy to the people! Term Limit Pledge is a grassroots organization that deals directly with voters, and only with voters, empowering them to help elect high quality candidates through the mechanism of the Term Limit Pledge.

Signing the Term Limit Pledge can substantially raise a candidate's chances of being elected! The Term Limit Pledge Wins Elections! Senate and House candidates who “take the Term Limit Pledge” can gain an extra **4 – 10% of the popular vote** according to TermLimitPledge.org research!

We’ve prepared this simple kit to help you approach congressional candidates about signing the Term Limit Pledge. In it you’ll find three other documents: a copy of the Term Limit Pledge for House of Representatives candidates, a copy of the Term Limit Pledge for Senate candidates, and an explanatory letter for the candidate.

It’s as easy as 1, 2, 3!

1

First, you connect with the congressional candidate of your choice. If you are working with a candidate for the House of Representatives, you can find out what congressional district you’re in here: <https://www.census.gov/mycd/>. Maybe you attend a meet and greet, visit a campaign rally, or simply write them an email letting them know you’re a voter in their district or state who’s passionate about term limits. It’s up to you.

2

Next, fill out the explanatory letter and the appropriate copy of the Term Limit Pledge. Then send both documents to your candidate’s campaign. You can either physically mail the documents or send them electronically using <https://smallpdf.com/sign-pdf>. If you plan to meet with your candidate in person to present the pledge, remember to bring the explanatory letter along.

3

When your candidate signs and returns the Term Limit Pledge to you, make sure all of the fields are complete and email or mail the pledge back to us at: Contact@TermLimitPledge.org OR P.O. Box 2369, Kirkland, WA 98083

It’s that simple!

If you have any questions please feel free to reach out and contact us via email Contact@TermLimitPledge.org or by phone at (425) 658-3470.

Dear Candidate,

I am contacting you, as a voter, to ask you to sign the “**Term Limit Pledge**” (see attached pledge). This pledge is a tool that refreshes voters’ control over the government and transforms their current feelings of disempowerment, cynicism, and apathy into **HOPE**.

Signing the Term Limit Pledge can also substantially raise a candidate's chances of being elected! The Term Limit Pledge Wins Elections!

Research indicates a candidate who takes the Term Limit Pledge will pick up an estimated 4 – 10% additional percentage points of the popular vote. * (TermLimitPledge.org Research)

Low approval ratings of Congress show that most voters believe that many members of Congress primarily serve their own interests. This perception by itself poisons the whole electoral and governing process. The founders intended our country to be governed by *citizen* representatives, *not* professional politicians.

The **Term Limit Pledge** encourages the election of candidates who want to serve the people as citizen representatives for a limited time and return to private life.

More than 80% of voters want term limits! And, over 80% of voters disapprove of Congress. This is true across every demographic segment including gender, age, ethnicity, education level, marital status, etc. The Term Limit Pledge provides voters with a way to gauge the intentions of candidates *before* they are elected. **It strengthens a candidates’ personal power to do the right thing and dilutes the influence of special interests on the whole process.**

If you want to be in Congress and serve the people rather than yourself, **sign the Term Limit Pledge**. You will be giving us—*the voters*—evidence that, if elected, you will enter the broken system that is Congress as part of the solution.

If you want to join our cause, please return the completed pledge to me. I will sign it, as voter/sponsor, and return it to TermLimitPledge.org where it will be publicized on their website and on social media. Of course, you should keep a copy to use in your campaign.

TermLimitPledge.org will contact you or your staff to authenticate your pledge before publicizing.

Sincerely,
