# 1

I know a secret  
To make the world a better place  
It's true in Kenya  
And right here in the United States

It's a super power  
Hidden under your nose  
When you choose to let it shine  
The whole world glows!

### CHORUS

# 2

When you see someone  
Who doesn't look like you  
If you smile you break down the wall  
You can find a friend brand new

Kids all over the world  
Come join this kindness ride  
We're all a little different  
But we're the same inside

### CHORUS

# 3

Now you know the secret  
That kindness is the tool  
To make this world better  
Starting at your school

Celebrate your differences  
You each have good to give  
Let's get this party started  
In the way we live

### CHORUS

## CHORUS

When you smile  
We feel it all around the world  
Every boy and girl  
You've got a super power when you smile

(When) you smile  
We feel it all around the world  
Every boy and girl  
You've got a super power  
when you smile
