

# 2019 e-Golf Buyer's Guide

All Golf. All electric.

e-Golf in Oryx White Pearl

## e-Golf top features

### 201 km range

With an estimated range of up to 201 km,\* one charge is all it takes to realize the benefits of this gas-free Golf.

Motor not exactly as shown

### Instant acceleration

100% of the eGolf's 214 lb-ft of torque is available instantaneously.

European system shown

### Available Discover Pro 9.2" touchscreen\*\*

Easily swipe through songs with the gesture control feature, check your range and enjoy full control of other media and features with the vibrant Discover Pro 9.2" touchscreen.

### Adaptive LED headlights

LED headlights are bright, bold and highly energy efficient. Better still, the Adaptive Front-light System matches your steering as you bend along the road.

### Available Digital Cockpit\*\*

The Volkswagen Digital Cockpit is an intuitive, customizable digital display that lets you tailor your display to your unique driving needs. The built-in navigation puts the map right in front of the steering wheel so you can plan and view your route with ease.

e-Golf in Sarantos Turquoise (C-LED design shown available early 2019)

\*Combined range estimate based on Natural Resources Canada (NRC) approved guidelines for MY2019. City rating is 1.9 L/100 km and highway rating is 2.1 L/100 km. Please refer to [golf.vw.ca/golf](http://golf.vw.ca/golf) for more information. Full charge required. Actual driving range will vary based on driving and charging habits, weather and temperature, battery age and vehicle condition. Battery capacity decreases with time and use. See owner's manual for details. L is gasoline litre equivalent.

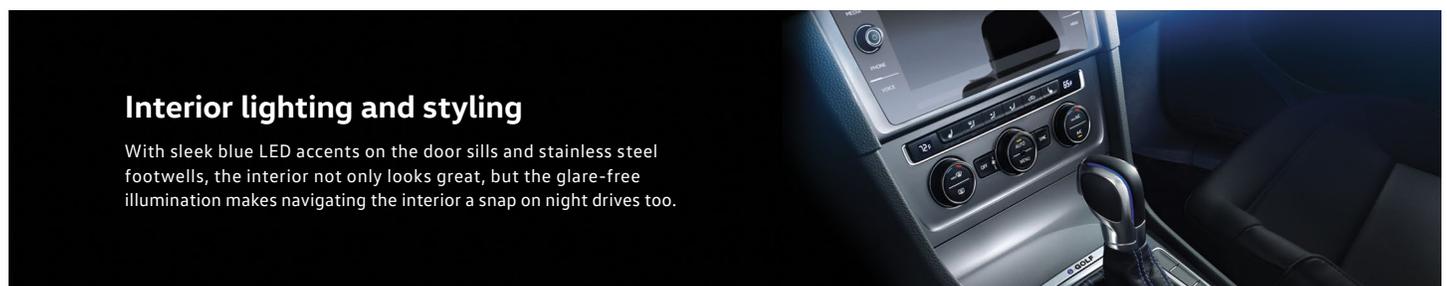

\*\*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

## The future of A to B is e

As the first 100% electric-powered Volkswagen, the e-Golf doesn't only represent the future of car technology, it's the future of driving. From saving money on your daily commute, to saying goodbye to messy gas pumps, you'll never want to go from A to B without the e-Golf again.

## Interior lighting and styling

With sleek blue LED accents on the door sills and stainless steel footwells, the interior not only looks great, but the glare-free illumination makes navigating the interior a snap on night drives too.

## Make it your own

Choose your preferred paint colour and upholstery to create the perfect e-Golf for you.

e-Golf with Titan Black leatherette interior (US model shown)

## Paint and upholstery options
