Texas Energy Holdings Named to Inc Magazine's 500/500 List of Fastest-Growing Private Companies for Third Consecutive Year

Texas Energy Holdings is again recognized as a top company in the Energy Sector and in the Dallas-Fort-Worth Area

DALLAS, TX—August 25, 2010—Texas Energy Holdings, a privately held independent oil and natural gas company with more than \$225 million in assets under management has again been recognized by Inc. Magazine as one of the fastest-growing private companies in the U.S. Between 2006 and 2009, Texas Energy Holdings saw a revenue growth rate of more than 787-percent, ranking it 385 on the exclusive Inc. annual list of 500 fastest-growing private companies. Texas Energy Holdings is also recognized as the 13th fastest-growing energy company in the nation, and the 17th fastest-growing company in the Dallas Fort-Worth area.

"Texas Energy Holdings continues to be successful because we understand the importance of balancing flexibility, stability and risk - even in the changing business environment we adhere to our disciplined platform that consistently delivers strong and steady growth," said Chad Willis, co-founder and president of Texas Energy Holdings. "It's an honor for Texas Energy Holdings to again be included in the Inc. 500 ranking as one of the fastest-growing private companies in the nation, and we are especially proud to be ranked as one of the top companies in the nation in the energy sector, and one of the fastest-growing private companies in the Dallas-area."
