

New One Piece Vinyl Capping System

Product Overview

VersaCap® is a decorative capping option engineered to fit over ShoreGuard® vinyl sheet piling, made in the USA, and readily available.

This nonstructural cap is designed to provide an aesthetically pleasing finish to your Flat Panel™ or corrugated wall. Visit our website or contact us directly for more information.

- ▶ Simple Installation
- ▶ Durable & Sustainable 100% Vinyl
- ▶ Great option when a structural cap is not required
