

# Memberships

Kimiko Memberships<sup>^</sup> act just like a savings account, except with major perks! Simply sign up for a membership and we'll draft your account each month. The drafted amount goes to your Kimiko account for you to use on any service you like, whenever you like! The money in your account never expires, and as long as you have your membership, you get access to amazing deals! There's no contract and you can cancel your membership anytime, just remember: you only get access to discounts with an active membership.

Enrollment fee of \$50 applies to all memberships and auto-draft is required. Memberships can be canceled anytime but discounts are only valid for active memberships. Your account balance will never expire, even if you cancel.
