IMPORTANT: YOU MUST READ THE FOLLOWING

The information contained in this presentation has been prepared by Geyser Brands Inc., (the “Company”) and contains confidential information pertaining to the business, operations and assets of the Company. The information contained in this presentation (a) is provided as at the date hereof and is subject to change without notice, (b) does not purport to contain all of the information that may be necessary or desirable to fully and accurately evaluate an investment in the Company, and (c) is not to be considered as a recommendation by the Company that any person make an investment. An investment in the securities described herein is speculative and involves a number of risks that should be considered by a prospective investor. This presentation is confidential and is being provided to you solely for your information and may not be reproduced, in whole or in part, in any form or forwarded or further distributed to any other person. Any forwarding, distribution or reproduction of this presentation in whole or in part is unauthorized. By accepting and reviewing this presentation, you acknowledge and agree that you will maintain the confidentiality of this presentation and the information contained herein and not utilize any of the information contained herein except to assist with your evaluation of a potential investment in the Company.

CAUTIONARY NOTE REGARDING FUTURE-ORIENTED FINANCIAL INFORMATION

To the extent any forward-looking information in this presentation constitutes “future-oriented financial information” or “financial outlooks” within the meaning of applicable Canadian securities laws, such information is being provided to demonstrate the anticipated market penetration and the reader is cautioned that this information may not be appropriate for any other purpose and the reader should not place undue reliance on such future-oriented financial information or financial outlooks. Future-oriented financial information and financial outlooks, as with forward looking information generally, are, without limitation, based on the assumptions and subject to risks under the heading “Cautionary Note Regarding Forward-Looking Information”. The Company’s actual production, financial position and results of operations may differ materially from management’s current expectations and as a result, the Company’s annual production, income, expenses and net income may differ materially from the profiles that may be provided in this presentation. Such information is presented for illustrative purposes only and may not be an indication of the Company’s actual annual production, financial position or results of operations.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

This presentation includes forward-looking information and forward-looking statements within the meaning of Canadian securities laws. Statements containing the words “believe”, “expect”, “intend”, “should”, “seek”, “anticipate”, “will”, “positioned”, “project”, “risk”, “plan”, “may”, “estimate”, “continues”, “plan”, “aim”, “seek” or the negative of these terms, or other similar expressions intended to identify forward-looking statements. The Company has based these forward-looking statements on their current expectations and projections about future events and financial trends that they believe may affect the Company’s financial condition, results of operations, business strategy and financial needs, as the case may be. Forward-looking statements are based on certain assumptions and analysis made by the Company in light of their experience and perception of historical trends, current conditions and expected future developments and other factors they believe are appropriate, and are subject to risks and uncertainties. Such assumptions include, among others, those relating to general economic conditions, the legislative and regulatory environment, the impact of increasing competition, the ability to obtain regulatory and shareholder approvals and the Company’s ability to obtain additional financing on satisfactory terms. Although the Company believes that the assumptions underlying the forward-looking statements are reasonable, they may prove to be incorrect. Given these risks, uncertainties and assumptions, investors should not place undue reliance on these forward-looking statements. Whether actual results, performance or achievements will conform to the Company’s expectations and predictions is subject to a number of known and unknown risks, uncertainties, assumptions and other factors. The above risks, uncertainties, assumptions and other factors could cause the Company’s actual results, performance, achievements and experience to differ materially from the Company’s expectations, future results, performances or achievements expressed or implied by the forward-looking statements.

TEAM

BRAD KERSCH, Founder & Chairman

With over 20 years experience in successful start ups and working with Fortune 500 companies, Brad brings a strong business, advertising and marketing background to the Geysler team. In 2014 Brad started Solace Management Group, a hemp product company focused on pet and nutraceutical markets.

ANDREAS THATCHER, CEO & Director

Since 2014 he has been a principal at Rhizome Group, an entertainment company focused on building media IP through creative and market development. Previously he was a founding partner at Rhizome Capital LLC, a USA-based Media Investment company, specializing in media marketing and distribution financing, with project ranging from European arthouse to studio animation. Having spent more than 15 years in film and television marketing and distribution, Mr. Thatcher brings a wealth of experience in bringing entertainment brands to market. Before that he worked in the Investment Banking industry in London and Toronto. He holds a Master's degree in Economics.

KULDIP GILL, Head Chemist

In addition to over 35 years of experience, including 3,500+ product formulations sold globally and a proven track record in personal care goods, NHPs and OTC pharmaceuticals, Kuldip built the largest manufacturing facility in the lower mainland - complete with R&D and Quality Control labs approved by both FDA & Health Canada.
