No, Cline Mining Corporation is not a related party or promoter of the entity (or an associate of a related party or promoter)

If so, please enter "Confirmed" in the column to the right to indicate that the consideration paid by the entity for the tenement was solely restricted securities, save to the extent it involved the reimbursement of expenditure incurred in developing the tenement¹⁹ or the entity was not required to apply the restrictions in Appendix 9B under Listing Rule 9.1.3 (Listing Rule 1.1 Condition 11)

Please also provide a copy of the agreement(s) relating to the acquisition entered into by the entity and any expert's report or valuation obtained by the entity in relation to the acquisition

No- however please note that the Company is party to a farm in agreement in relation to permits at the Ambodilafa Project owned by Mineral Resources of Madagascar Sarl (MRM). MRM is owned by Jubilee Metals Group plc (**Jubilee**). The Company already has a farmed in 90% interest in respect of iron ore commodities at this project. If Jubilee elects (which it hasn't done to date) to contribute to further expenditure to preserve its remaining 10% interest the parties have agreed to prepare a joint venture agreement using the Australian Mining and Petroleum Lawyers Association model joint venture agreement. In any event the Company appoints the manager of MRM who is the controlling person of MRM from an operations perspective, and the parties to the farm in agreement are permitted to make disclosures if required by the listing rules of a stock exchange.

Where in the joint venture agreement does it provide that if the entity requires it, the operator of the joint venture will give the entity all the information the entity requires to comply with the Listing Rules, and that the information may be given to ASX for release to the market if necessary for the entity to comply with the Listing Rules (Listing Rule 5.45)?
