THE VIGILANCE PROJECT

“UNDERSTANDING THE MEXICAN CARTELS & ‘NARCO’ CULTURE”

“Narco Shrine” at the Fishers Police Dept. in Indiana June 2019

This course covers the complexities of the Mexican Culture in regards to its history, religion, politics, law, traditions, folklore and much more. The Course provides law enforcement professionals, and other investigators the tools to recognize indicators/factors/items of interest of non-criminal activity versus those of criminal activity. Participants will develop a more thorough understanding of the Mexican culture, and as such be able to provide better service to their ever-changing communities. The beginning of the course has been described as a “cultural awareness class on steroids”, as it relates to both criminal and non-criminal behaviors.

During the course, a heavy emphasis will be placed on the “Narco Cultura” (Mexican Drug Cartel Culture), including but not limited to: Mexican identification documents, “Narco” fashions, symbols used, and individual information on the most powerful groups, their splinter groups and their tactics. Officers will also be taught on the difference between “Folk Saints” and “Patron Saints”; and detailed, extensive instruction on the “Narco Saints” will be presented with the use of a large “Narco shrine”, other tools and actual hands-on practical exercises; which now includes a how-to skill in reading and/or interpreting a multitude of different religious shrines.

It also focuses on current trends and drug trafficking in the U.S., additional subjects including Anti-Bias Policing, Community Policing, Officer Safety, Marijuana issues, Reclassification of the Cartels into Foreign Terrorist Organizations, the “Plaza” system, the “King Pin Approach”, “El Culiacanazo”, the current Fentanyl crisis, effects of the COVID-19 pandemic on drug trafficking, growth of Cartel Jalisco Nueva Generation (CJNG) and more.

This will benefit ANY investigator, as well as many others in any field of assignment (i.e. CID, Patrol, K9, Interdiction, Detentions, Gangs, Narcotics, Crime Prevention, SRO, Intelligence, Fire Marshall, etc.) who may encounter signs of innocent cultural beliefs or warning signs of illicit activity. Furthermore, this training has been a valuable asset in investigations ranging from simple interactions with the public to traffic stops, and from burglaries and arson investigations to a double homicide/assassination.

Testimonials

Santa Muerte Chapel Phoenix AZ 2017

“Very knowledgeable course, in-depth information that can help save law enforcement lives. I would highly recommend this course to L.E. Victor was an incredible instructor.”

Chief A. Flores, Milliken Police Dept. (CO)

“Victor’s knowledge of the culture of Mexican Cartels surpasses any other. I have been to many interdiction and cartel classes that teach on a flat level when it comes to “Narco Religious Culture”, but Victor breaks down the history of the religious culture and how it is incorporated into today’s cartel world for one of the best teaching techniques I’ve seen.”

Undersheriff Dennis Garcia
Quay County Sheriff’s Office New Mexico

“As a law enforcement officer devoted to training and educating our future police professionals, I absolutely recommend and support agencies who include Galarza’s training in their regimen.”

Operations Lieutenant, Mountain Village P.D. (CO)

“The material presented regarding “Narco-Cultura” that Galarza has generously shared with us is second to none...gives an accurate and sobering view of the dangers that officers in all parts of the country may have to encounter at some point.”

Special Agent, Dept. Homeland Security

“The information you presented went above and beyond what I expected and I came out with a better understanding of the situation that affects not only Colorado, but the nation as a whole.”

(Former) Congressman Scott Tipton, U.S. Congress Third District (CO)

“Victor’s personal and professional experience is one of a kind. It is one thing for someone to read information off a PowerPoint, but Victor takes his experience and knowledge to a new level with a “no hold bars” approach to the information.”

Chief Rodney Paris
Logan Police Dept. New Mexico

“This training is truly like none other I have attended while in Law Enforcement, even being from Mexico.....The material and experience that Victor Galarza taught in the class is second to none.”
