

Hi my name is I am years old and I am a Young Leader.

I go to school in

If you are self-isolating, I'd like to help you.

I can:

- Bake you a cake and leave it on your doorstep
- Post a drawing through your letterbox
- Post a flower through your letterbox
- When I feel down or alone this cheers me up
..... Why don't you try it?

My parent or teacher will be with me when I do this.

You can contact them on with your requests.

I am keeping safe by washing my hands regularly and keeping a good distance between myself and others.
