

KEY STAGE 3 YOUNG LEADERS AWARD

**THE ARCHBISHOP OF YORK
YOUTH TRUST**
Be the change you want to see

Archbishop's Welcome

Never before has it been so important for our young people, regardless of their background or faith, to discover the life skills of compassion, patience, self-control, gentleness and leadership. The Youth Trust is helping to raise a generation motivated by such virtues. Young people are the answer to the challenges facing our communities. I believe they have the potential to change our world for the better and, as Mahatma Gandhi described it, 'be the change they want to see'.

With this in mind, in 2008 I launched my youth charity, The Archbishop of York Youth Trust. Our vision is to see every young person equipped and empowered in leadership and character through our Young Leaders Award Programme. Our work with schools enables young people to fulfil their individual potentials, develop key life skills, and, through youth-led social action, foster a desire for justice and a concern for others that will transform lives and communities.

Impact

VISION

Our vision is to support schools in nurturing the leadership skills and character virtues of their pupils and in developing the whole child, mind, heart and soul. Independent research by the University of Gloucestershire has proven that the Young Leaders Award helps foster a growth mindset in young people raising their aspirations and enabling them to see and achieve their full potential.
