

The Archbishop of York Youth Trust Supporter Promise

Our partners and supporters are essential to our success.

Thanks to your generosity, we are able to empower more Young Leaders to transform their local communities. That's why we're committed to being fully transparent and accountable to you.

Our Supporter Promise shares the way we hope to partner with you.

Trust

We will work to build trust and transparency in all our fundraising. We will do this by reporting on our successes, and failures, and ensuring that you are partners in our work with children and young people.

Community

We value the role each of us plays in fundraising and building partnerships to support children and young people. We respect all of our donors, welcoming and supporting you as you engage with the Youth Trust.

Joy

We know that everyone can make a real difference in their local communities. Therefore, we will celebrate the success of our young people and our donors. Where possible, we will look for ways to bring that joy alive through storytelling, events and conversations.

Excellence

We are committed to best practice in fundraising and are members of the Fundraising Regulator, complying with its Fundraising promise. We comply with all appropriate legislation (e.g. the Data Protection Act) and ensure our fundraising is fair and ethical.

Humility

Open to learning new things, we listen to our donors, Young Leaders and the wider community, to ensure our fundraising makes a difference to the work we do with children and young people and their communities. We recognise that we sometimes make mistakes and are open to complaints and feedback. This can be done by emailing fundraising@abyyt.com or contacting our Director of Fundraising, Stewart Graham on 01904 231019.

Creativity

We will continually look for new ways to fundraise and inspire you, empowering children and young people to share the stories of their success and ensuring we are aware of potential opportunities for fundraising.

If you have any questions or comments about our fundraising, please do not hesitate to contact us on 01904 231001 or fundraising@abyyt.com
