

CS6x))VERSA™ Digital Reporting Monitor with Wi-Fi

The RIDGID® SeeSnake® CS6x Versa™ is the flexible, efficient solution for plumbing inspections. The CS6x Versa works with all SeeSnake camera reels and easily docks onto Compact series reels. The frame allows the monitor to be tilted to the optimal viewing angle, and a quick-release mount lets the monitor be placed in a high or low viewing position to suit jobsite conditions.

- Versatile pivoting frame allows CS6x Versa to stand higher or lower for on-site ease of use
- Docks onto Compact series camera reels for an all-in-one workflow or use as a freestanding monitor with all RIDGID SeeSnake camera reels
- Integrated Wi-Fi streams and records inspections to an iOS™ or Android™ device with the free HQx® Live app, or download to a USB drive to deliver to customers right on the jobsite
- Daylight viewable display provides a crisp, clear in-pipe image while the water-resistant keypad gives direct control of camera and monitor functions
