Family Music Classes

Featuring: ALL new curriculum and four, 4-week class sessions with a week off between each session.

All our Family Music **FUNDamental** classes offer fun, interactive ways to nurture your child's developing brain and body through music and movement. It's **NEVER** too early to begin making music, and this spring we have multiple ways to have music time with your littles!

How can I still attend a Family Music Class and share music and movement with my child?

- Join us at FMS for very small in-person classes - currently 5 students or less.
- Join our growing **livestream** community. You see your teacher and classmates in real time, and you interact with each other in a way that is fun and better than no music class at all! You see friendly faces, laugh together, and make music together!
- You can choose to receive a **video-recording** of our livestream class options to view in your home at a time that's best for you. *Bonus: you can watch the video as many times as you want each week!*
- You can also take advantage of our very popular **"Create-A-Class!"** Create either a livestream or in-person class that is made up of your own circle of friends and family. Mixed Ages? No problem! We'll put together a group just for you and your people. Some of our groups have united friends and family from all over the United States!

3663 South College, Unit 13, Fort Collins, CO 80525

We sincerely hope you will consider joining us at Foundation Music School for music classes and lessons in the way that meets your comfort level! We strive to maintain absolute safety for all our families and staff.

Please don't miss out on connecting with others through the joy of music.

While we are apart, music brings us together.

- As always, registration is on a first come/first serve basis and our very small in-person fall classes at FMS will fill very quickly.
- Classes will be kept to a minimum size (5 students/5 parents or less in Family Music; 5 or less in all other in-person classes) so the appropriate 6-feet of social distancing is followed. Additional safety precautions will be required while the Larimer County Public Health & the State of Colorado recommend their use.
- Spring tuition and materials fees are due at the time of registration.
- Scholarships are available based on financial need. Please inquire.
- Due to the uncertainty of the COVID-19 situation, if city/county/state capacity restrictions affect our ability to meet in-person, we will be following their guidelines. This means your in-person class at FMS will be automatically transferred to a live-stream or video-recorded class. We will not be able to offer a refund in a situation that is out of our control.
- Class times and teacher assignments are subject to change. Please see our website for more comprehensive program descriptions.

Please Note:

🎵 Must meet minimum age requirements by first day of class. FMS regrets that sibling discounts in Family Music classes do not apply for Spring 2021. We will bring the sibling discount back as soon as we possibly can.

Make-up Policy: Due to our current class restriction sizes, we unfortunately cannot promise any make-up options for Spring 2021. In order to keep class sizes optimal, we request that parents call to check on availability for make-up classes. Classes at capacity will not be available as make-up options.

Scholarships are available based on financial need. Please inquire.
