## Please familiarize yourself with the following guidelines for FMS In-Person Music Therapy:

**FMS follows the Larimer County Public Health Department and the State of Colorado recommendations for wearing masks. These recommendations are as follows:**

1. We are strongly recommending that all persons, vaccinated and unvaccinated, wear masks inside FMS. Please speak with your music therapist about mask concerns.
2. FMS Staff will undergo daily temperature checks.
3. We will still practice 6-feet of space as much as possible.
4. Therapists will dispense hand sanitizer to each student upon entering the classroom.
5. Until further notice, no parents or additional persons may attend a student's private session inside our school. Please speak with your music therapist about the possibility of attending your student's session.
6. In some cases, students will be asked by their music therapist to enter FMS through a separate entrance other than our main entrance. Your music therapist will let you know if your student will be using a different entrance.
7. FMS Staff cannot offer bathroom assistance to any student. An FMS Staff person can walk your student to the bathroom area but your student must be bathroom independent or we ask that you remain close by throughout the entire session in case bathroom assistance is needed.
8. Please arrive no earlier than 5 minutes before your session start time, and please be on time for pick up.
9. If you or your student have a fever, cough, sore throat, shortness of breath/difficulty breathing, or any other symptoms related to COVID-19 or another illness **OR** if you have been exposed to someone who is suspected of having COVID-19, please do not enter FMS but instead arrange to attend a virtual session.

**FMS reserves the right to amend these guidelines at anytime and will notify families of any changes via personal email, FMS newsletter, and our website. Please check your email regularly for any changes that may need to be made. Thank you!**
