Please familiarize yourself with the following guidelines for FMS In-Person Private Lessons:

FMS will continue to monitor and in the event of a change, will follow the Larimer County Public Health Department and the State of Colorado recommendations for wearing masks and for distancing.

1. Wearing masks inside FMS is not required but will be supported and respected if you choose to mask yourself or your student.
2. Please help us to maintain a safe environment at FMS by keeping your student at home if they develop covid, flu, or cold symptoms. *These symptoms include but are not limited to: cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.* If your student misses a lesson, your teacher will work with you to help your student get caught up.
3. Your student's teacher will greet your student in the lobby or on the sidewalk before the lesson begins and bring your student back to the lobby or sidewalk to be picked up by you. Students and parents can wait in the lobby or on the sidewalk. Any additional drop-off/pick-up information will be provided by your teacher.
4. You may be asked to move to virtual lessons if the FMS Directors determine that because of a positive diagnosis or because of covid-like symptoms, your student's teacher needs to be temporarily absent from the building. Should this happen, we ask that you be willing to make that temporary adjustment - and we do promise it will be as temporary as possible. Since we will be in good faith offering these virtual services, we will not be able to offer a refund in a situation that is out of our control.

Please note: FMS Staff cannot offer full bathroom assistance to any drop-off student. An FMS Staff person can walk your student to the bathroom area but your student must be bathroom independent or we ask that you remain close by throughout the entire lesson time in case bathroom assistance is needed.

FMS reserves the right to amend these guidelines at anytime and will notify families of any changes via personal email, FMS newsletter, and our website. Please check your email regularly for any changes that may need to be made. Thank you!
