

NEW ENTRY GATE SYSTEM

Effective August 1, 2019

Installation of the new entry gate system hardware and software are nearing completion. All residents and property owners will soon receive a mailer with instructions on how to access and set up their online portal.

Resident Entry

- Current windshield decals will continue to allow entry through the left-hand lane as usual.
- The magnetic Gate Cards and "Clickers" that allowed right-hand lane access are no longer operational
- Residents have the option to purchase a "Fast Pass" RFID tag which replaces the clickers and magnetic cards in the new system.

Guest & Contractor Passes

- The Contractor Pass program will be discontinued. All guests must now be issued passes by residents.
- Property owners and designated residents will be able to authorize guest and contractor passes by:
 - Entering guest information into their online portal via computer
 - Entering guest information through an "App" on their tablet or smartphone
 - Calling the gate to authorize staff to enter a guest pass into their account on their behalf.
- Passes can be sent to guests via email, text, or can be printed upon arrival at the gate

For other questions, please call the BVCS D Administrative Office. We'll be happy to give you more details.

District staff will continue to evaluate and improve the system over time

Contractor Passes

The 6-month Contractor Pass program will be discontinued on August 1, 2019.

Please contact the Bear Valley Police Department with any questions regarding refunds.

****Fast Pass****

\$12/year per vehicle

The "Fast Pass" resident lane is accessed by purchasing an RFID tag that will be affixed to the vehicle.

- Each vehicle will require its own tag
- Tags will be available for purchase from the CSD Admin Office on 8/1/2019
- **Purchase of the tag is not required.** Residents may still enter through the left-hand lane with their current windshield decal
