Statement of Qualifications for Board of Directors Vacancy Applicant Bear Valley Community Services District

Dear Applicant,

Thank you for your interest in serving our community, expressed by your desire to be appointed to the Board of Directors of Bear Valley Community Services District.

The Board of Directors has asked that interested applicants submit a Statement of Qualifications for their review prior to the appointment process.

The document is in fillable format so you may type your responses directly into the document itself. Please limit your responses to 500 words or less. If you wish, you may include a resume of no more than three pages with this statement. Upon submission, the materials will become part of the public record and will be included in the meeting Agenda package for the June 10, 2021 Board Meeting.

Completing a Statement of Qualifications is not mandatory for your application to be considered. However, if you choose to submit it as requested, it must be received by noon, June 4, 2021. Postmarks will not be accepted. Return to: Bear Valley CSD, Attn: Board of Directors Vacancy, 28999 S. Lower Valley Road, Tehachapi, CA 93561. Or you may email Kristy McEwen, Secretary of the Board: kmcewen@bvcsd.org.

Thank you once again for your desire to serve the residents of Bear Valley Springs.

William J. Malinen
General Manager

Statement of Qualifications for Board of Directors Vacancy Applicant Bear Valley Community Services District

1. How long have you been a resident of Bear Valley Springs?
2. Describe your level of involvement in the community up until now.
3. What is your motivation for applying for the Bear Valley CSD Board of Directors, and why do you believe you are qualified? Please cite relevant examples such as prior government experience, attendance or participation at Board and/or Committee meetings, professional background, community involvement and volunteer activities.
4. The Bear Valley community is served by two primary entities—the Bear Valley CSD and the Bear Valley Springs Association. It can be confusing to the public as to which services each entity provides. Please describe your knowledge of District operations, the services the District provides, the laws governing the District, sources of funding, and the working relationship between the two agencies.
