

*A 501c3 Non Profit*

October 30, 2018

Dear Bridgton Community Center Friend

Did you know that the Bridgton Community Center became a reality 17 years ago? It may not seem that long. During this time, with the help of our staff and many volunteers, the organization has served thousands of people through dozens of programs. The Center has been able to do this through the generosity of Bridgton taxpayers and many monetary donations from a lot of people like you. This year the goal is to raise \$30,000 and we're asking you to help the Community Center reach its goal.

For example, a \$100 gift would pay the cost of a senior lunch that is held weekly to the benefit of several dozen seniors who may not otherwise have an opportunity to go out and socialize. This program serves more than 2,500 meals each year. Or your donation could contribute toward several programs that are designed for people of all ages. You are assured that your contribution will have an impact on the sustainability of the programs and the quality of life in Bridgton. It will also assist the Community Center to expand its offerings with other quality programs.

Whether or not you take part in the activities the Community Center offers, contributions from individuals like you help keep the Community Center strong, independent and a vital source of funding for its programs. Your contribution, no matter the amount, goes a long way toward keeping the programs we offer to you and the community going. Please give whatever amount that's right for you.

The Board of Directors of the Center respect and appreciate the sincere relationships it has with many people, organizations and businesses and knows this bond is important to the success of the entire Bridgton Community. Public service is shifting as the needs of residents change and the Center will be there to accommodate these needs. So, wouldn't this be the right time for you to help us with making Bridgton a better place to be? Please join us as we pursue this important goal.

To donate to the Bridgton Community Center, you may use the enclosed envelope or you can go online at: [www.bridgtoncommunitycenter.org](http://www.bridgtoncommunitycenter.org). The Bridgton Community Center is a 501c3 non profit organization which qualifies your donation as tax-deductible. Thank you for your interest and support.

Sincerely,

Brendon Cook

President, Board of Directors
