HOW DO YOU HANDLE UNCERTAINTY?
The future has never been more uncertain.
The future has never been more uncertain!
Actually, the future has always been exactly this uncertain. It’s more how you feel about it that matters.
What does it mean?

Be open to and allow for more than one interpretation to a problem. Encourage multiple ideas or paths to exist in parallel.
NAVIGATING AMBIGUITY IS A KEY SKILL FOR YOUR FUTURE.
Dear Ambiguity,
Where does ambiguity exist in your life?

<table>

</tbody>
</table>
Recall an ambiguous experience of your own
Headline the experience
First, describe or name that ambiguous experience on your white paper. Write it BIG, take up as much space as you can.
Make it physical

Use your lego, paper and tape to sculpt your ambiguous experience. Turn the paper into a shape that represents your emotions.
Make it physical

Use your lego, paper and tape to sculpt your ambiguous experience. Turn the paper into a shape that represents your emotions.

SHARE YOUR STORY WITH A NEIGHBOR.
Draw it

Pick one part of your ambiguity story and translate it into a visual on the picture side of your postcard. You can be literal or draw something abstract or metaphorical. Bad drawings welcome.
Write a postcard

Flip your card over and write a letter to ambiguity or uncertainty. Describe your situation and how it makes you feel.
Write a postcard
