The Nutcracker 2019

REWARD PROGRAM

The Festival Ballet of North Central Texas is a non-profit organization and relies on support from local businesses and supporter's donations. To continue our longstanding legacy in providing the highest quality performances for Denton audiences, all cast families are required to promote and sell at least one Congratulatory or Business ad for our Keepsake Program. The program features group photos of dancers in addition to headshots of principals, soloists, and demi-soloists and is complementary for all patrons. While some businesses may be reluctant to purchase a Business ad, we encourage cast families to seek financial supporters. All financial supporters contributing a minimum of $30 will be recognized in the Keepsake Program in *The Rat King's Court*.

We offer a rewards program for those actively promoting and supporting the company. Earn a discount towards your own Congratulatory Ad by securing Business Ads and/or financial donations. NOTE: Donations for the silent auction are excluded for the reward program.
