

Festival Ballet of North Central Texas is pleased to announce auditions for the 2020 production of ***The Nutcracker!***

To provide our dancers, parents, instructors, and volunteers with a safe environment, we will follow strict protocols this season during auditions and rehearsals. All dancers wishing to audition must register online. We will not accept walk-up registrations. Audition dates have limited slots per age group, so we encourage dancers register early.

All dancers are required to complete a COVID-19 consent form prior to audition.

All auditions will be held at Denton Ballet Academy, 637 Londonderry, Denton.

Dancers should check-in outside 15 minutes prior to audition time and will be assigned an audition number. Dancers will be escorted into the building when they are called to audition. Parents/Guardians will remain outside or in cars until dancers are released. No waiting space will be available inside the studio. All dancers are encouraged to bring water to stay hydrated.

All instructors, volunteers, dancers, and guests are required to wear a mask.
