*The Nutcracker 2020*

# Rewards Program

Festival Ballet of North Central Texas is a non-profit organization that relies on the generosity of supporters and local businesses. By providing a production locally, Festival Ballet has the unique opportunity to share the beauty and artistry of classical ballet with our beloved community. The Keepsake program features local businesses and individual congratulatory ads and is a complementary gift to every patron during performances.

We want to reward our dancers for helping to support Festival Ballet's mission to provide a professional and quality performance experience for our local community.

Our reward program offers to dancers a way to earn discounts towards a congratulatory ad in our Keepsake program by being an ambassador for Festival Ballet in their own community. To earn rewards, dancers are challenged to sell Business Ads for the Keepsake program and/or approach family and friends for financial donations. Donations are tax deductible, and any donation over $30 is recognized in our Keepsake program. Rewards must be redeemed no later than 10/25. A reward will be provided when paperwork is turned into Ad Sales and payment received. Only one person can claim a business ad sale. The dancer with the highest amount raised will be recognized!

Use this form to record your donations and ad sales information.
