

Sachin Gavas

Lead Product Designer, Design Systems Hacker
Currently building a Conversational AI Analytics SaaS app at Unscrambl Inc.

EXPERIENCE

UNSCRAMBL, Pune/Singapore — *Lead Product Designer*

MAR 2019 - PRESENT

Own and drive the design of UNSCRAMBL's product suite on all platforms (Web, Web Mobile, MS Team). I work across a cross-functional team, developers, product managers and sales in order to provide the best possible design solutions. Oversee the implementation of my work across all platforms.

Partner with product managers and developers to define problems and goals, map user flows, prototype interactions or polish existing features.
