## Experience

 **UI/UX Designer** Apr 2014- Present  
Freelance  
For the past 5 and a half years I have been helping startups launch digital products including mobile, tablet and web apps.

## Education

 **ITAcademy by LINK group** 2016 - 2017  
One year program, Web Design  
I spent a year perfecting my design skills at IT Academy, an Adobe Authorised Training Center. Here I mastered using a range of Adobe's software as well as how to code in HTML, CSS, and Javascript.

 **School of Design** 2012 - 2016  
GPA 5 out of 5, Design of Interior and Industrial Products  
This is where I started my design education, in 4 years at School of Design I learnt everything from basic design principles all the way to product design and development process. I graduated as the best student in my generation (valedictorian).
