Presbyterian Church

## **Youth Ministry Skills**

**1.) How would you build a youth ministry that reaches both churched and unchurched youth?**

**2.) How would you build a youth ministry team of volunteers and parents?**

**3.) How would you connect with youth?**

**4.) Tell us a bit about your vision for youth ministry.**

*What would your dream scenario look like? What would you hope to accomplish in your first 5 years of youth ministry at Jville Pres? How would you know you've done a good job? What would 'success' look like?*

**5.) Would you be interested to attend annual youth ministry training?**

## **Theological Questions**

**6.) Do you believe the Word of God is inerrant and the ultimate source of truth? How does your view of Scripture shape your ministry to youth?**

**7.) Can you affirm the *The Essentials* of the EPC? (see attached)**

*(As a key member of our church staff, we would expect the youth director to be an active member of our church, which requires affirmation of the Essentials)*

**8.) Let's talk hot topics. What are your views of sexuality, marriage, singleness, pornography, and marijuana? How would you approach these topics with youth?**

**9.) How comfortable would you be working with a team-minded church staff/ elder board made up of men and women?**

*(We have a very collaborative approach to ministry, with several staff members and elders overseeing each ministry)*
