

## **Survey Party Chief**

Goodbee is looking for self-motivated individual to join our Subsurface Utility Engineering (SUE) department to lead survey services. The position is mid to senior-level and will report to the SUE Group Lead.

### **Job Duties**

- Direct and oversee a field crew on utility, topographic, and construction survey tasks
- Ability to perform field survey tasks, primarily surveying SUE markings initially
- Provide office processing of field data in AutoCad and/or MicroStation
- Ability to grow department to include topographic and construction surveying services
- Work includes surveying utilities in urban and rural environments and may require some travel and flexible hours (evenings and weekends possible but uncommon)
- Be responsible for purchasing, operating and maintaining survey equipment
- Adhering to company safety policies, performing quality processes, and professionally interacting with landowners, businesses, clients, and other members of the public
- Position has opportunity for growth with demonstrated successes

### **Required Skills**

- 3 to 5 years of survey crew experience
- Experience with Trimble data collectors, total station, and Business Center
- Experience with CDOT deliverables including TMOSS
- Ability to operate AutoCAD or MicroStation
- Mid-level Microsoft Office tools
- Ability to understand and decipher horizontal/vertical datums and coordinate systems
- Capability of working alone or in a team environment
- Strong attention to detail
- Effective verbal and written communication skills
- Valid driver's license
- Ability to pass a drug test
- Colorado Professional Land Surveyor license or ability to obtain within 6-12 months

### **Educational Requirements**

Degree in Land Surveying and Geomatics preferred, or equivalent experience

### **Why Goodbee & Associates?**

Goodbee & Associates is a well-respected small business providing subsurface utility engineering, utility coordination, and utility design on public infrastructure projects in Colorado for over 25 years. We are looking for talented individuals who can add expertise to our team. Our benefits include three weeks of vacation, nine paid holidays, 401k, health, dental, and vision insurance, and generous training and wellness opportunities. We are committed to providing a culture of balance, flexibility and growth for our staff and encouraging social responsibility within our profession and community.
