

## **Survey Technician II**

Goodbee is looking for self-motivated individual to join our Subsurface Utility Engineering (SUE) department to provide survey support services. The position is junior to mid-level and will report to the SUE Group Lead.

### **Job Duties**

- Work proficiently in the field with SUE and survey crews on survey tasks
- Provide office support processing field data in AutoCad and/or MicroStation
- Work includes surveying utilities in urban and rural environments and may require some travel and flexible hours (evenings and weekends possible but uncommon)
- Individual will be responsible for operating and maintaining survey equipment
- Adhering to company safety policies, performing quality processes, and professionally interacting with landowners, businesses, clients, and other members of the public
- Position has opportunity for growth with demonstrated successes

### **Required Skills**

- 3 to 5 years of land survey experience
- Experience with Trimble Business Center
- Experience with CDOT deliverables including TMOSS
- Ability to operate AutoCAD or MicroStation
- Mid-level Microsoft Office tools
- Capability of working alone or in a team environment
- High level of attention to detail
- Strong oral and written communication
- Valid driver's license
- Ability to pass a drug test
- Colorado Land Surveyor Intern registration or ability to obtain within 6-12 months

### **Educational Requirements**

High School Diploma required, degree in Land Surveying and Geomatics preferred

### **Why Goodbee & Associates?**

Goodbee & Associates is a well-respected small business providing subsurface utility engineering, utility coordination, and utility design on public infrastructure projects in Colorado for over 25 years. We are looking for talented individuals who can add expertise to our team. Our benefits include three weeks of vacation, nine paid holidays, 401k, health, dental, and vision insurance, and generous training and wellness opportunities. We are committed to providing a culture of balance, flexibility and growth for our staff and encouraging social responsibility within our profession and community.
