Cannabidiol (CBD) is one of over 113 active cannabinoid chemicals in the hemp plant. CBD, unlike THC, does not produce euphoria or intoxication. CBD targets specific receptors in brain cells and the body for medicinal use. There are both physical and mental benefits with the use of CBD products.

**" U.S. Grown Hemp that is cultivated to the highest standard "**

**Thanks to our partnership with over 20 industrial hemp farms, our CBD hemp farms produce the most nutritious Cannabidiol, organically grown, pesticide free, and Non-GMO. Our hemp farms are fully compliant with the State Department of Agriculture regulations & are large US distributors of agricultural hemp, rich in CBD, CBG, CBC & CBN.**

# TINCTURES

**CBD isolate** is CBD in it's purest form and free of all other constituents of the hemp plant including zero THC. our CBD isolates can be custom formulated to me to meet your unique brand needs. We infuse our pure CBD extract with MCT coconut oil as our carrier oil that helps the CBD absorb more efficiently into the bloodstream.

**Full spectrum CBD** contain all the compounds naturally found in the hemp plant including amino acids, terpenes and trace amounts of THC. Our full spectrum CBD oil is made without synthetics or chemical processing and relies on a super critical CO2 extraction process to produce the purest and highest grade natural product.
